

Bluestone - Avantgarde

General: Melting the beauty of bluestone with technical excellence, Bluestone Avantgarde is the pinnacle of achievement in porcelain stone. Each piece has a unique and non-reproducible depth effect, which creates a delicate interplay of shades ranging from black to different tones of grey. The typical veins and crinoids of the stone truly root in the material surface.

Applications: Commercial & residential indoors, including office buildings, restaurants, galleries, living areas, kitchens, bathrooms, floor and walls (with lamination and various edge detail finishes being achieved)

Origin: Italy

Colours: Elite (smooth burnished black tones)
D'Irlanda (natural bluish shading)
Pietra Chiara (blue-tinted grey tone)

Sizes: 594 x 594 mm

Thickness: 14mm

Finishes: All have a smooth finish (indoors only)

Type: Fully vitrified, triple pressed and honed

Appearance: Emulates various bluestone finishes

Production: Porcelain stoneware with rectified edges

Technical: Water Absorption less than 0.05%
Frost Resistant (-35C)
Scratch Resistant
Stain Resistant (hot running water)
Breaking Strength EN 550Kg/cm²
Surface Hardness – MOHS 7 (of 10)
Grade (PEI) 5 – All Residential, All Commercial
Fire Retardant

Slip Resistance: (DIN 51130) R9

Guarantee: 20 Years – for residential and public buildings
