

Kappa

General: Created from porcelain stoneware, Kappa comes in two metallic proposals that are suitable for high pedestrian external traffic areas. Using the latest injection colouration technology, this unique material is perfect for those who are looking for the weathered appearance of metal, without the associated problems of discolouration and wear.

Applications: Commercial & residential indoors & outdoors including foyers, boutiques, galleries, living areas, kitchens, patios, bathrooms, floors and walls, including made to order mosaic proposals.

Origin:	Spain	
Colours:	CB	(Copper rust)
	GP	(Graphite silver tarnish)
Sizes:	445 x 445 mm	445 x 720 mm
Mosaics:	Made to order	
Thickness:	11mm	
Finishes:	Natural – surface finish	
Type:	Glazed porcelain, with chromatic surface	
Appearance:	Contemporary metal with textured finish	
Production:	Double-pressed, natural edges	
Technical:	Water Absorption less than 0.05% Frost Resistant (-15C) Scratch Resistant Stain Resistant (hot running water) Chemical Resistant Surface Hardness - MOHS 6	
Slip Resistance:	R10 - Average Pendulum Number achieved by Wet Test - 61 - Classification of Floor Surface in Wet Condition - V - Risk of Slipping when Floor Surface is Wet - Very Low
