

Kerlite Plus - Black & White

General: White and Black. Light and Dark. Empty and Full. Primordial, pure, essential elements, perpetuously alternating. Harmonic tension, pulsing rhythm. The rhythm of those who do not fear contrasts, of those who travel lightly and rapidly towards their destination. Black & White adds two strong and defining colours to the Kerlite series in a semi glazed, smooth surface feel.

Applications: Commercial & residential walls and residential indoor floors, including boats, buildings, foyers, boutiques, galleries, living areas, kitchens and bathrooms, plus, splashbacks, bench tops, lift cars and external walls (inclusive of wall cladding)
