

Kerlite Trilogy

General: Kerlite Trilogy has been designed to add subtle & elegant features to the existing Kerlite series of wall panelling. These modular inserts come in Line, Garden and Flower designs, and can be joined together in 4 different combinations to blend as a complete feature. This is the continued evolution of Kerlite - using unique pressing, decorative and firing methods to produce these amazing porcelain sheets.

Applications: Commercial & residential in & out doors, including public facility areas, buildings, foyers, boutiques, galleries, living areas, kitchens and bathrooms, for all wall applications, splashbacks, lift cars and boat fitouts (inclusive of wall cladding)
