

Savia

General: Savia is an amazing porcelain stoneware reproduction of timber – with all the subtle grains & textures found in the most beautiful hardwood floors, even down to it's surface feel. Unlike wooden floors, this tile does not require sealing, waxing, polishing or any timber care maintenance. Simply lay and wash or spot clean as required.

Applications: Commercial & residential in and out doors, including foyers, shopping centres, public areas, boutiques, living rooms, kitchens, patios, floor & walls.
