

# Atlas - Metal XL

**General:** The aesthetic power of METAL, with bright iridescent reflections conveying the allure of natural oxidation of an industrial material with architectural wow. These large metal-effect porcelain slabs interpret an industrial-contemporary style, ideal for settings that convey an earthy strength and energy of light.

**Applications:** From wall and floor coverings to furnishing elements, including bathroom vanities or kitchen bench tops, retail counters and table tops. Suitable for residential and commercial environments, with both indoor and outdoor applications.
