

# X - BETON

**General:** This stunning representation of ancient bush hammered stone has been combined with modern concrete colours in hard wearing porcelain stoneware slabs up to 600x1200mm in size - making this a wonderful adaption for any design project

**Applications:** Commercial & residential in & out doors, including foyers, boutiques, galleries, living areas, balconies, patios, kitchens, bathrooms, walls and step treads (with lamination and various edge detail finishes being achieved)
