

KERLITE - VANITY 6.5mm

General: A collection that features the beauty of the most elegant, minimalist forms of marble. Subtle patterns, light veins and soft shading make up the designs of this collection, which has taken its inspiration from the stone used in the most inspiring examples of classical culture. Vanity is part of the PROTECT line of products: antimicrobial floor and wall tiles, designed for healthy, safe and protected living spaces.

Applications: All commercial & residential indoor floors & walls and surfaces including cladding.
