

Concrete

General: Using unique and innovative technology allows this full bodied tile series to be produced in large format sizes up to 1200 x 1200mm. The contemporary environment of concrete is beautifully captured within this porcelain stoneware collection.

Applications: Commercial & residential in and out doors, including foyers, shopping centres, public areas, courtyards, living areas, patios, walls inside & out, building facades, step treads and pool surrounds, (with lamination and various edge detail finishes being achieved).
