

Secret Stone

General: The mystery of Jerusalem stone comes to life in this elegant porcelain stonewear. The high technology production process and refined surface finishes make the secret stone collection unprecedented in terms of feel and realism. Ideal for professionals seeking exclusive and prestige solutions for architects and designers.

Applications: Commercial & residential in & out doors, including foyers, boutiques, galleries, living areas, balconies, external cladding, patios, kitchens, bathrooms, walls and step treads (with lamination and various edge detail finishes being achieved).
