

Square Made

General: Using unique and innovative technology allows this full bodied tile series to be produced in large format sizes up to 1200 x 1200mm. The subtleness of these plain colour surfaces create a sophistication and elegance to any project - with Deco (see Square Deco Fact File) adding interest as required.

Applications: Commercial & residential in and out doors, including foyers, shopping centres, public areas, courtyards, living areas, patios, walls inside & out, building facades, step treads and pool surrounds, (with lamination and various edge detail finishes being achieved).
