

# FLODSTEN

**General:** Flodsten is a porcelain tile inspired by a natural stone from northern Italy (Ceppo di Gré). Thanks to the wide range of formats, the series can be adapted to any space, with a tonal range that is very minimalist in style. For both flooring and wall covering applications. This series is well suited to interior and exterior spaces especially thanks to the wide range of formats.

**Applications:** Commercial & residential floors and walls including all applications indoors and out.
