

# Zement

**General:** Zement is a fresh new approach to the look of concrete. Providing multiple finishes in large format sizes give ultimate versatility. Non-staining, anti-slip porcelain plus matching 20mm pavers, extends this range to the outdoor spaces of design.

**Applications:** Commercial & residential in and out doors, including foyers, shopping centres, public areas, courtyards, living areas, patios, walls inside & out, step treads and pool surrounds, (with lamination and various edge detail finishes being achieved)

**Origin:** Spain  
**Colours:** Steel  
Coal  
Black  
White
